PROFESSIONAL SUMMARY

BCA student at Sharda University (CGPA: 7.87/10) with a strong foundation in full-stack web development, C, Python, and problem-solving. Experienced in developing responsive web interfaces and software projects. Seeking a software engineering internship to apply technical skills and contribute to real-world solutions.

TECHNICAL SKILLS

Languages: C, Python, JavaScript (ES6+)
Web: HTML5, CSS3, Responsive Web Design, Flexbox, DOM, Accessibility
CS Fundamentals: OOP, Data Structures, Algorithms, Recursion, File I/O
Tools: Git, VS Code, Microsoft Excel (Advanced Formulas, Pivot Tables)
Soft Skills: Problem Solving, Leadership, Teamwork, Adaptability, Communication

EDUCATION

Bachelor of Computer Applications (BCA) — Semester 4 / Year 2 *2024 – 2027 (Expected)*
Sharda University Agra **CGPA: 7.87 / 10.0**

Class XII — Commerce with Mathematics *Graduated 2024*
Kids Corner Happy Sr. Sec. School (CBSE), Firozabad, Uttar Pradesh **61.8%**

Class X *Graduated 2022*
Kids Corner Happy Sr. Sec. School (CBSE), Firozabad, Uttar Pradesh **83.2%**

WORK EXPERIENCE

Cybersecurity Analyst — Virtual Internship (Forage) *Tata Consultancy Services*

- Monitored and analyzed simulated cybersecurity threats and assisted in vulnerability assessment activities.

Student Volunteer *Jul 2025 – Aug 2025*
Sharda University, Agra

- Facilitated university events by managing attendee registration, queries, and event logistics.

CERTIFICATIONS & COURSES

Introduction to Cyber Security Simplilearn SkillUp *(24 July 2026)*
Introduction to Generative AI Google Cloud × Simplilearn SkillUp

ACHIEVEMENTS & LEADERSHIP

- Maintained a **CGPA of 7.87/10** across core CS subjects including Data Structures & Algorithms, OOP, DBMS, and Computer Networks over two consecutive semesters at Sharda University; scored **83.2%** in Class X board examinations, reflecting consistent academic discipline.
- Enrolled in **Full-Stack Web Development** (freeCodeCamp) and **Python Programming** (NPTEL) certification tracks simultaneously, proactively aligning skill development with junior software engineering hiring benchmarks.

ADDITIONAL INFORMATION

Languages: Hindi (Native), English (Professional Working Proficiency)
Interests: Software Development, Artificial Intelligence, Competitive Programming, Open-Source Contribution
Availability: Immediate — open to internships, part-time engineering roles, and remote opportunities
